Criteria for Spotlight Award Eligibility

The purpose of the **ASC Spotlight Award** is to recognize exceptional, inspiring and imaginative cinematography in smaller features that may not receive wider theatrical relase or awareness.

A feature length motion picture is eligible provided it debuted in theaters between **January 1, 2017 and December 31, 2017**. A motion picture is also eligible if it premiered at a major film festival during that same time period including: AFI Fest, Berlin, CameraImage, Los Angeles Film Festival, Palm Springs, San Sebastian, Sarajevo, Sundance, SXSW, Telluride, Torino, Toronto, Tribeca, or Venice.

All ASC cinematographers are invited to submit one qualifying feature for ASC Spotlight Award consideration by **Friday, December 8, 2017**. A brief paragraph by the submitting ASC member describing the qualities of exceptional cinematography **must** accompany the entry. ASC members CANNOT enter their own work. Please do not ask other members to submit your film on your behalf.

All active ASC members are invited to participate in the screening/voting process to choose the winner of the ASC Spotlight Award. Nominations will be announced January 10, 2017.
